

### **In His Name**

## **Memorandum of Understanding of Scientific, Academic, and Research Cooperation between Faculty of Basic Sciences and Engineering, University of Neyshabur and Faculty of Engineering, Dogus University of Turkey**

### **Introduction**

In order to develop educational cooperation and achieve the common scientific and research goals, this memorandum of understanding is signed between **Faculty of Engineering, Dogus University, Turkey**, represented by **Prof. Ismail Guloglu**, and **Faculty of Basic Sciences and Engineering, University of Neyshabur, Iran**, represented by **Prof. Seyyed Moshen Saleh**.

### **Subjects of The Memorandum:**

1. To use the educational and research capabilities based on the facilities of the two parties.
2. To use the potentials of the academic staff of both parties in order to carry out common scientific, educational, and research cooperation.
3. To conduct common research projects in the form of M.A. dissertations and Ph.D. theses.
4. To facilitate scientific visit program for professors of both academic centers in order to define and execute common research projects.
5. To hold training courses, international scientific conferences, about the research fields of interest.
6. To exchange students and professors consistent with the rules and regulations of University of Neyshabur and Dogus University of Turkey.
7. To effectively improve the scientific and research levels of the two parties in other fields.

### **Implementation of The Memorandum:**

- 1- Each faculty shall nominate its members as its representative in charge of any of the collaborative subjects. The memorandum will be implemented after the final agreement of a joint committee consisting of the representatives of the parties.
- 2- This memorandum does not create any financial and legal obligations for the parties, and the implementation of each of its subjects will require a separate contract between the two parties.

3- This agreement takes effect upon the date of signature and valid for a period of 3 years, after which it may be renewed.

This memorandum of understanding, holding 7 subjects, on 11 August 2024 (11/08/2024) was arranged and signed in three copies by the representatives of each party and each is an original.
